Your first land mark is the Bussa round about from here travel to the Norman Niles round about. Travel towards the Belle until you reach the roundabout at Hostherstal Turning and Waterford bottom. Take the road to Hostehrsal Turning, making the right at the junction at Kelsies. Follow the road straight through the Leers Roundabout which will take you to Market Hill where you will see a Texaco gas station. Continue driving, you will approach a right corner continue driving –there is a beautiful house on the left painted peach with red clay tone tiles. Make the next left into St. Joseph –signs on the post will say to BATSHEBA. Continue driving you will pass Andrew’s sugar factory on the left and some beautiful animal murals (the road slopes to the right –keep driving until you approach Grantley Adams Secondary School on the right, further on you’ll see a new housing development. Next is HORSE HILL

From the top of Horse Hill follow the road until you reach the four cross at the bottom of the hill (*the left turn takes you to the East Coast and straight ahead would take you to Edgewater Hotel*). Make a **Right Turn** at the junction into St. Elizabeth Village (**see the sign on the pole**). As you continue through the village you will see on your right the Seventh Day Berea church. As you pass this area the road will begin to wind downhill, towards the end of the hill the road takes a sharp left and there is a cluster of homes on your right. **As you begin to approach these homes and the corner, slow down.** Straight ahead of you is a cart road, there are three blue garbage cans at the entrance of this cart road, **proceed up the cart road** until you see a green and cream building –Welcome to Higher Heights.
