The Credit Union may verify any information provided to it by me/us from whatever sources it deems necessary.

The Credit Union is hereby authorized to obtain any information it requires relative to my/our credit history or application for credit and any such source is hereby authorized to provide any such requested information.

The Credit Union is further authorized to disclose to any Credit Bureau, reporting agency, business, financial institution or person with whom I have entered into or propose to enter into a business or financial relationship with, personal information or such information regarding my/our credit or financial history, or information as is deemed appropriate, lawful and necessary in the sole discretion of the Credit Union or as expressly provided by law. I/we jointly and severally agree to indemnify the Credit Union and save the Credit Union from any and all claims in damages or otherwise arising from any disclosure as herein authorized.
